Sir:

This responds to the Office Action mailed May 2, 2001 and is filed within the three month period following.

Amend the claims as follows:

1. (Amended) A detachable trolley and mop bucket combination comprising a mop bucket [having] supported by wheels thereon and movable over a floor surface and a trolley having a frame adapted for carrying cleaning supplies, the trolley [having] supported by wheels thereon for moving over a floor surface, the trolley and the bucket separately and independently movable and having a connection between them for selective attachment to securely connect the mop bucket to the trolley so that the combined trolley and bucket can be easily maneuvered by one person.
2. (Amended) The detachable trolley and bucket combination set forth in Claim 1 wherein the trolley has spaced front legs terminating in wheels and forming a recess
